Dear Janet Snow,

I would like to thank you for contributing your time and efforts to my campaign. Without your help and the help of other volunteers I would never have gotten so far.

This campaign has been a long road but in the end we were able to make people aware of the issues that the north is facing and have a better understanding of what the people in Novemberton think needs to be done. Your strong support will never be forgotten and again, thank you for helping me make this campaign an incredible success.

Sincerely,
